19 months in new and  
neutral barrels

**Harvest Date**

10/10/2019

**Winemaker**

Taylor Oswald

**Cases Produced**

62

Sitting on a hill in a cooler spot in the Walla Walla Valley, Pepper Bridge Vineyard has emerged as a source of bold and sturdy Cabernets and Merlots. The 2019 vintage saw several frosts before harvest and our nerves were on edge until the grapes were in and fermenting. As it transpired, we fell in love with our small production of Pepper Bridge Cab – it didn't suffer from the cold, and even benefited from it.
