We have always loved Seven Hills Vineyard; I don't think it's an exaggeration to call it the most important old vineyard in Walla Walla Valley. Cabernet Sauvignon from Seven Hills is an ideal match when that Cabernet is from old vines in Block 3, you will understand why we view this wine as a very special expression of the Echolands style. Yes, we try to make wines of elegance, but this has a solid and intense core and we think it deserves a long cellaring.
